

BHEF Tributes

Has someone in your child's school had a special impact on him or her? Would you like to acknowledge the great job that person has done? BHEF Tributes have been established as a way to show appreciation to people in your child's educational community. Whether it's a teacher, principal, secretary, guidance counselor, coach, cafeteria worker or custodian, BHEF Tributes are a way to show your gratitude and thanks. By making a donation to the Berkeley Heights Education Foundation in honor of these special people, you can truly make a difference by enhancing educational opportunities for faculty and students in the Berkeley Heights schools. Donations will be used to fund grants that are requested by teachers and administrators.

For each person you honor with a donation, you will receive a Tribute Card that can be signed by you or your child and proudly presented to that person. There's also room for a personalized message. All donations are tax-deductible and your support will be acknowledged in the BHEF's annual brochure.

Acknowledging these special people with a BHEF Tribute is an honor they will treasure.
